Dear Parent/Guardian:

As the season changes, we prepare for late starts, early dismissals and school closings. This year dense fog has made travel extremely difficult and dangerous in the mornings.

River Valley Academy follows Wabasha-Kellogg Public Schools lead for weather related school closings, late starts and early dismissals. W-KPS announces these on the following stations:

Radio Outlets	Television Outlets
KMFX – Fox Country 102.5 FM	KTTC Ch. 10 – Rochester
KROC – 1340 AM / 106.0 FM	WKBT Ch. 8 – La Crosse
Winona Radio Stations – 1380 AM / 1230 AM / 101.1 FM / 95.3 FM	KMSP Ch. 9 – Twin Cities
Lake Hits 95 - Lake City	KSTP Ch. 5 – Twin Cities
	KARE Ch. 11 – Twin Cities
	WCCO Ch. 4 – Twin Cities

Also, information is located on the WKPS web site : [www.wabasha-kellogg.k12.mn.us](http://www.wabasha-kellogg.k12.mn.us)

When our school day is modified because of weather, we coordinate with Lincoln High School and Plainview-Elgin High School to arrange appropriate transportation.

Also follow your local school district when it comes to weather related changes in the school day. Students are not required to drive through dangerous conditions as determined by local school districts. Students are required to follow the RVA calendar for all regular attendance days. Local districts still provide bussing to RVA on days they may be off. At those times, student may need to report to their local high school to be bused to RVA. Please contact your resident high school for instructions.

Sincerely,

John Sakellariou  
Principal
