August 3, 2011

Dear Parent/Guardian and Student:

RVA's Registration will be August 31, 2011 from 10 a.m. to 6 p.m.

This is the best time to see the school, meet the teachers and complete paperwork.

If you or your child are returning to, or are interested in attending River Valley Academy in the fall, please contact your home school counselor or principal. They will be able to discuss your child's needs and work with you if you are interested in transitioning your child to our school. We also would appreciate the opportunity to discuss your child's academic progress toward graduation.

We hold class from 8:35 a.m. to 2:30 p.m. and our calendar is similar to most schools. Many of our surrounding schools offer transportation to and from RVA in Kellogg.

We appreciate the opportunity to assist your child with their education. If your child is interested in attending RVA, or if you have questions about enrolling your child at our school, please call us at 507-767-3339. Hope to see you on August 31, 2011.

Our first day of school is September 6, 2011.

Sincerely,

John Sakellariou

John Sakellariou
