Dear Parent/Guardian:

As the season changes, we prepare for late starts, early dismissals and school closings.

Valley View Learning Center follows Dover-Eyota Public School's lead for weather related school closings, late starts and early dismissals. DEPS announces these on the following stations:

Radio Outlets	Television Outlets
KMFX – Fox Country 102.5 FM	<u>KTTC Ch. 10 – Rochester</u>
KROC – 1340 AM / 106.0 FM	<u>WKBT Ch. 8 – La Crosse</u>
Winona Radio Stations – 1380 AM / 1230 AM / 101.1 FM / 95.3 FM	<u>KMSP Ch. 9 – Twin Cities</u>
Lake Hits 95 - Lake City	<u>KSTP Ch. 5 – Twin Cities</u>
	<u>KARE Ch. 11 – Twin Cities</u>
	<u>WCCO Ch. 4 – Twin Cities</u>

Also, information is located on the DEPS web site : <http://www.desch.org/>

When our school day is modified because of weather, we coordinate with surrounding schools to arrange appropriate transportation.

Also follow your local school district when it comes to weather related changes in the school day. Students are not required to drive through dangerous conditions as determined by local school districts. Students are required to follow the VVLC calendar for all regular attendance days. Local districts still provide bussing to VVLC on days they may be off. At those times, student may need to report to their local high school to be bused to VVLC. Please contact your resident high school for instructions.

Sincerely,

John Sakellariou
Principal
